

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 26, 1996

SUBJECT: **SB 2895 - HB 2559**

This bill, if enacted, will extend special school speed zones one hundred-fifty (150) feet beyond any intersection located within the zone.

The fiscal impact of this bill is estimated to increase local government revenues from an increase in fines collected from speeding violations in the larger area now covered by the special speed limit. The increase in revenue cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
